

# EXPERIENCE THE MSC DIFFERENCE

MSC Cruises is the world's third largest and fastest-growing major cruise brand, sailing to over 250 destinations around the world, offering an enriching and immersive cruise experience inspired by our European heritage.

## TRAVEL THE WORLD WITH US

23 SHIPS | OVER 100 COUNTRIES | OVER 250 DESTINATIONS

### RICH & UNIQUE ITINERARIES

Discover Europe's Leading Cruise Line with the most ships and ports of call or cruise the Caribbean & The Bahamas with stops at Ocean Cay, our private island marine reserve. Choose to venture further with Emirates, South Africa, South America, and Far East cruises.

### OCEAN CAY MSC MARINE RESERVE

Escape to a secluded paradise like no other. Ocean Cay is the cruise industry's only private island marine reserve, offering late-night and overnight stays. Enjoy more time exploring the island's seven pristine beaches, snorkeling with marine life, and dancing at the Lighthouse Show and Luna Libre party.

### INNOVATIVE SHIPS

Discover the world in style, comfort and safety as our growing fleet delivers cleaner technologies and pushes the boundaries of what is possible at sea. Choose from 23 modern vessels including MSC World America, our third LNG ship, making her U.S. debut in 2025.

### MSC YACHT CLUB

Welcome to a world of ultimate luxury at the MSC Yacht Club. Accessible only by key card, guests will enjoy lavishly appointed accommodations, private dining, lounge and pool areas, free drink package, access to the Thermal Suite, 24-hour butler service, and more exclusive benefits.

### EUROPEAN HERITAGE

Experience American comfort combined with elegant European design that only MSC Cruises offers. With our unique mix of international guests and European heritage you can expect a lively cosmopolitan vibe and enriching experiences.

### SUSTAINABILITY

We believe cruising can be more sustainable and are committed to making a difference. From introducing cleaner fuels across our fleet to state-of-the-art water treatment facilities to offering sustainable shore excursions, we are working towards preserving the sea and meeting our long-term goal of net-zero emissions.
